RESERVE CHAMPION BULL

We invite you to see Nebraska's best Shorthorns and Polled Shorthorns:

As we wind up a very important sale and marketing season, we feel highly pleased with the tremendous interest shown everywhere in Shorthorns and Polled Shorthorns. Shorthorn steers have had a great year, winning inter-breed shows in many of the country's strongest exhibitions. Right here in Nebraska, a Shorthorn steer was Grand Champion over all breeds at the 1962 Nebraska State Fair. At the World's largest steer show at Ak-Sar-Ben, Shorthorns have had more championships and reserve champions that either of the other two major breeds in the past 5 years. I think it's important that we remind ourselves at this point, of an obvious fact -- that quality pays off in the cattle business. It's the same story in the registered field as it is in the commercial field, "the better ones are always easiest to sell and demand the most premium."

Isn't it a good time therefore, for every breeder of purebred or commercial, to give serious thought as to how he can improve the quality of his herd? Isn't it a good time to ship the old bull and replace him with a younger bull of a little better quality? Isn't it a good time also to supplement your replacements with some good young females like those that are being offered here at Columbus?

Whether you buy at auction or private treaty, breeders will never find a better time to think about improving their herds and you can do something about it at Columbus on December 6th.

ATTENTION LADIES!!

Nebraska Lassies, you I greet!
Each show and sale, we much enjoy;
Being your president is a treat,
Richly rewarding, filled with joy.
All of us are well aware,
Shorthorn cattle lead the way:
Kingly breeding, lustrous hair,
Assures us that they'll always pay.

Shorthorns - Champions Interbreed,
Have gained State and National fame;
Onward! Upward! with great speed,
Reaching new heights and acclaim,
Transcending breeders topmost aim.
Happy are we, Shorthorn Lassies,
Over each State Lassie Queen,
Radiant as she greets the masses;
Natty Scotch plaid kilt, so keen.

Lightly tripping through the show ring,
As she hands out ribbons won,
Smiling sweetly. In the evening,
Satisfied with work well done.
If each of us does all she can
Every day, through each years span,
Shorthorns will reign. Sincerely,

Ann M. Dorman, President
Nebraska Lassies

D M BONANZA'S CLASSIC -- Stood well up in class at both Iowa and Nebraska State Fairs this year even though showing at a disadvantage in age. He has tremendous weight for age. D M Bonanza 2d was Nebraska Fair grand champion in 1959. L F Clipper is a consistently good breeder. She has produced four calves for us sired by four different bulls and we have considered each good enough to use in our show strings.

ANNUAL NEBRASKA FUTURITY SALE

SURE THE LASSIES WILL BE IN COLUMBUS!

Our Nebraska Shorthorn Lassie booth at State Fair attracted many loyal supporters of Shorthorn cattle, and many new friends stopped and showed interest in our literature and promotional sale items, buying quite a few articles. All were treated to coffee and rolls or cookies supplied by our willing workers, the Lassies.

Our congratulations to Jeanne Aegerter of Seward, on winning Interbreed Grand Champion steer and Champion of the Breed at the Nebraska State Fair and Interbreed Reserve Champion at Ak-Sar-Ben. We are also proud of our other 4-H and FFA members who showed well fitted Shorthorns at County and State events, and on their Judging, Showmanship and Demonstrations.

Our Nebraska Lassie Queen, Jane Buller, of Utica did a fine job of handing out ribbons at both State shows, and looked real trim in her pretty Scotch plaid kilt and velvet jacket; this outstanding costume educes many favorable comments.

Recently received was a letter from Ella Marie Lausen, Austin, Minnesota, Membership Chairman, National Shorthorn Lassies, telling us that our membership year closes November 1. Winners will be announced and awards presented on the night of the Lassie banquet in the Gold Room of the Pick-Congress hotel in Chicago, November 27. The graph shows Nebraska had 55 members in 1959, only 39 in 1960, and 44 in 1961, and I do not know the number in 1962, as yet. We are planning to start our new year out right, with each present member enrolling at least one new member for the Lassies before the Columbus show and sale, December 6. I believe this can be done, and that our Nebraska Lassies are the ones who can do it.

It will be a pleasure to see all our present members and our new members December 6 at Columbus.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
